

Name of the Program
English Conversation

Program Summary:

This program aims to enable the trainees to concentrate on communication skills. It provides opportunities and conversational techniques so that the learners can gain confidence, presentation skills and improve their speaking style through learning oral language functions in culture based situations within a highly interactive atmosphere. It also allows trainees to improve the fluency of their communication, enhance their vocabulary and learn idioms to further develop their conversational skills.

Upon Completion of this program trainees will be able to:

1. communicate freely while using accurate and fluent English.
2. introduce themselves and others in real situations of communication.
3. guide and direct others.
4. comment freely and fluently on posters.
5. describe themselves and others.
6. get engaged in debates while expressing their opinions fluently and taking sides with or against.
7. have a good command of using proverbs and idiomatic expressions.
8. express their opinions fluently about newspaper and magazine articles.

Targeted Trainees:

1. Learners who plan to continue their academic education.
2. Employees who use English with their customers as an international tool.
3. Candidates who work in the front desks of private organizations.
4. Those who are interested in the English culture.

Training Hours:

30 hours
