

Name of the Program

AAT Level 4: Certificate in Taxation and Ethics

Program Summary:

This qualification aims to give students the required knowledge to prepare tax returns and be able to extract the relevant information to calculate VAT for an organisation. It will ensure students can complete the relevant documentation in a timely manner to work with tax authorities. The student will be able to calculate income from all sources, and apply relevant allowances, deductions and reliefs to prepare accurate income tax computations. Additionally, the professional ethics unit ensures students recognise the importance of acting and working in an ethical manner.

Upon Completion of this program trainees will be able to:

1. gain tax skills from a professional educational body.
2. provide numerous study and job related progression opportunities.
3. gain further exemptions on chartered and certified qualifications with the level 4 units on this qualification.
4. work self-employed offering tax related services.

Targeted Trainees:

- AAT full/ fellow members who are looking for additional continuing professional development (CPD) options and to add additional skills to their CV
- AAT student members who do not wish to complete the AAT Level 4 Diploma in Accounting but would still like to gain an AAT Level 4 qualification
- experienced and ambitious accounting staff looking to specialise in taxation
- those who would like to start their own practice.
